Mr. Henderson:

Advisory Neighborhood Commission 5D would like to formally express our thanks for your recent assistance in transitioning the anc5d.org domain to our commission. During this time, we recognize that you spent several hours working with the commission to complete the technical transition, all at no cost to us. As a result, both commissioners and residents represented by ANC 5D now have easy access to a variety of public documents, including minutes, agendas and resolutions. We are truly thankful for both your time and willingness to work with us so that we, in turn, could provide a transparent resource for our community.

With gratitude,

ANC 5D
