**Re: BZA Case No. 19232
1833 Central Place, NE (Square 4044, Lot 10)**

Dear Members of the Board:

On February 9, 2016, at a duly noticed, regularly scheduled monthly meeting of Advisory Neighborhood Commission ("ANC") 5D, with a quorum met by 7 of 7 commissioners and the public present, the above-mentioned matter was presented before us. The Commission voted unanimously to support the project.

Habitat for Humanity has done an excellent job of presenting its plans for the subject site and responding to our questions. We applaud Habitat for constructing new affordable housing that will be dedicated to families earning up to 50% of the area medium income. ANC 5D is in desperate need of more affordable housing, and the proposed project will be an extremely positive addition to the neighborhood. Specifically, ANC 5D voted to approve the Applicant's request for variances from the off-street parking requirements of 11 DCMR § 2101.1 and the lot width requirements of 11 DCMR § 401.3, which will allow them to move forward with the project.

We enthusiastically support this project and request that the Board approve this application as quickly as possible. Thank you for giving great weight to ANC 5D's recommendation.

Sincerely,

Peta-Gay Lewis
Commissioner SMD 5D01
