Re: Case No. 15-24 and 15-24A – ANC 5D Support for First Stage Planned Unit Development

Dear Chairman Hood:

On April 12, 2016, at its regularly scheduled and properly advertised monthly meeting, Advisory Neighborhood Commission 5D (“ANC 5D”) voted in support of Cases No. 15-24 and 15-24A, which are applications for a First Stage PUD for four parcels of property adjacent to Gallaudet University’s campus. The vote was 5-0-1 and a quorum was present, with 4 Commissioners required.

ANC 5D supports both applications as it will provide additional housing, including affordable housing, along with neighborhood-serving retail. Gallaudet University has long been an active member of this community and the ANC supports its efforts to integrate better with the surrounding neighborhood. The ANC believes this project proposes appropriate development that will greatly enhance Union Market, the University and better serve the community.

Thank you for giving the views of ANC 5D great weight in your deliberations on this case.

On behalf of the Commission,

Adam Roberts  
Chairperson, ANC 5D
